

FastTrack® Single Computer License Agreement

This Agreement is between LICENSEE:

(Company) Name: _____

Address: _____

City, State, Zip: _____

Phone: _____

Email: _____

and Investors FastTrack® [FT]. This Agreement governed by the laws of the State of Louisiana. The term of this Agreement is from the moment FT licensed materials are received by the user until such materials are destroyed and all copies of such licensed materials are removed from all Licensee computers, tapes, diskettes, and other computer media.

Definitions:

"Data" is investment security prices, distributions, highs, lows, opens, market indices, ticker symbols, issue names, and other financial information regardless of how stored or redistributed. Data is collected by FT and redistributed to Licensee. This use and distribution is restricted under the terms of this Agreement. Data may not be distributed, modified, updated, or appended by the Licensee except under separate agreement with FT.

"FastTrack®" is a computer program which is solely the property of FT. FastTrack® may be used only with Data.

Data License

FT Grants to Licensee a nonexclusive, nontransferable limited license to use FastTrack® and Data. Data may be used only in conjunction with FastTrack®. Data, or derivatives of Data, which has been exported or extracted into another form may be used by non-FastTrack® programs, however, all limitations under "Copying and Distribution" below continue to apply no matter what method or to what extent the Data has become modified or transformed.

FT Obligations

FT shall provide Data and FastTrack®. FT shall have NO OBLIGATION to repair or update Data or FastTrack® EXCEPT as provided under separate Subscription Agreement.

Limitations

The information that FT provides is only part of the information needed for a good investment program. Consult your investment securities advisor before buying or selling any security. Read the prospectus to determine whether an investment meets your objectives. Investors FastTrack® and its suppliers shall not be liable for errors, omissions, or malfunctions in the service, nor for damages incurred by the Licensee with regard to the use of FastTrack® or Data. The information feeds from which Data is derived are known to have errors.

Copying and Redistribution

FastTrack® software, manuals, and Data are protected under US and international copyright laws. All rights are reserved. Copying, modifying, or redistributing materials without express written permission of FT is strictly prohibited except as follows:

FastTrack® software and manuals may be freely copied and redistributed to others in their entirety only for internal securities analysis as long as:

1. No fee is charged for using, copying, or distributing.
2. Neither the software nor the manuals are modified in any way.
3. FastTrack® is used only in conjunction with the Data.
4. The purpose for redistribution is to provide a copy for evaluation.

Permitted Uses

Neither FastTrack® nor Data may be used for any purpose other than:

1. By individuals making personal investment decisions.
2. By individuals or investment professionals in rendering advice.
3. By professionals making selection and timing decisions.
4. By publishers (authors, lecturers, editors, electronic publishers, and web sites) for illustrating their works with historical Data.

All Permitted Uses are Limited

Permitted use does not imply fitness or suitability of Data or FastTrack® for any specific or intended purpose. All works containing Data, or its mathematical derivatives shall conspicuously display "Charts [and/or] Listings [and/or] Data by www.FastTrack.Net". This display must be adjacent to or within each illustration, table, or paragraph. On web pages, email and any other publication capable of click links, the attribution must be click-linked to

<http://www.FastTrack.net/>

Licensee's publications (all taken together) are limited to use of distribution-adjusted Data for less than 100 ticker symbols per month. Works may neither display any distribution/split/dividend Data nor derived adjustment factors. Works may not display current (as of last market close) prices or current charts, nor provide total return for periods shorter than one month, nor can this above information be published more frequently than monthly. Redistribution of updated or modified Data or the use of FastTrack® with updated or modified Data is prohibited except as provided for under separate agreement.

Rights to Data

FT's access to some portions of Data is regulated by data suppliers, exchanges, and government (Agencies). This license is expressly conditioned on the effectiveness of FT's agreements with Agencies. If FT's access is restricted by Agencies, the License continues only to the extent FT retains rights. Licensee is responsible for all fees which may be levied by Agencies arising from Licensee's use of Data.

FT reserves all rights to select, correct, add, and choose the content of Data. This includes the right to remove any or all of Data without notice to Licensee. The removal or other modification of Data as described above shall not void this license or entitle Licensee to any compensation.

IF YOU DO NOT ACCEPT THESE TERMS, THEN YOU MAY NOT USE FASTTRACK®. RETURN THE PRODUCT WITHIN 10 DAYS OF RECEIPT FOR A FULL REFUND OF ITS PURCHASE PRICE.

FastTrack® Subscription Agreement

Return to: P.O. Box 77577, Baton Rouge, LA 70879

This Agreement is between SUBSCRIBER

Name: _____

Address: _____

City, State, Zip: _____

Phone: _____

Email: _____

and Investors FastTrack® [FT]. This Agreement governed by the laws of the State of Louisiana.

FT agrees to provide access to its computer systems to SUBSCRIBER for sending financial data via the Internet (the "Service") to SUBSCRIBER's computer thereby modifying, updating, and appending to FT databases, commentary, families, and programs on SUBSCRIBER's computer.

SUBSCRIBER agrees to pay FT for the Service without regard to SUBSCRIBER's actual use of the Service. This Agreement shall be renewed for successive terms until cancelled by either party.

Payment will be made under the plan selected below. If no selection is made by SUBSCRIBER, then the Month-to-Month Plan will be selected.

Single Computer Limitation

FT offers support for the use of FastTrack® on a single computer. If SUBSCRIBER has multiple computers, FT reserves the right to support and to provide the Service to only one computer. FT's failure to enforce this paragraph for any period shall not compromise FT's rights subsequently to enforce this provision.

Refund Policy

Either party may cancel this Agreement at any time. SUBSCRIBER will receive a refund of the subscription paid *less*

- \$48 for one service
- \$72 for two services
- \$84 for three services

for every full and partial calendar month during which the Service was available to subscriber without regard to the SUBSCRIBER's actual use of, or ability to use, the Service.

Termination

When this subscription is cancelled or expired, SUBSCRIBER agrees to cease use and to remove all FT licensed materials from his computer.

IF YOU ARE NOT A CURRENT SUBSCRIBER, ADD A ONE-TIME, NONREFUNDABLE \$69 INITIATION FEE TO THE PLAN FEE SELECTED BELOW.

Check one or more boxes

- Month-to-Month Plan: The subscription fee is \$48 due 14 days before account expiration.
- Second Database: \$24/month
- More Databases: \$ 12/month each
- Quarterly Plan: The subscription fee of \$122 due 14 days before account expiration.
- Second Database: \$61/quarter
- More Databases: \$30/quarter each
- Annual Plan: FT will bill a subscription fee of \$403 due 14 days before account expiration.
- Second Database: \$201/year
- More Databases: \$100/year each
